Income security plan (Ireland)

Closed Holloway plan for dentists in Ireland

Table C3

1 Introduction

1.1 Purpose of the plan

This **plan** is designed to pay **you** regular **benefits** to help replace the income **you** lose if **you** cannot work in **your occupation** because of **your incapacity**. The **participation units** under the **plan** provide a fund built up from **your** share of the qualifying surpluses **we** make. **Your** fund is payable when **your plan** ends.

This **plan** is not designed to pay out if **you** cannot work for any other reason, including but not limited to events such as:

- **you** contract ends, is suspended or terminated
- **you** are made redundant, **you** resign, or are dismissed
- **you** are suspended or otherwise prevented from working as a result of any governmental, legal, disciplinary or regulatory advice, guidelines or rulings.

Under this **plan** biological or psychological condition lying within the range of normal, age-appropriate human variation are not regarded as an **incapacity**, and it is a requirement of the **plan** that an **incapacitated planholder** must continue to receive **generally accepted medical treatment** throughout a claim.

1.2 Your responsibilities

In addition to the general terms and conditions of **your membership** in **our rules**, **you** must also comply with the specific terms and conditions of **your plan** as set out in this **table** and **your benefit statement**. If **you** do not, **we** may refuse to pay **your benefits**, cancel **your membership** or both.

You should not insure yourself for more than what **you** are entitled to receive. **You** also have a continuing responsibility for ensuring that **your plan** is appropriate to **your** professional and personal circumstances.

3 Eligibility

3.1 Who can have this plan

This **plan** is closed to new entrants and is only available to individuals who were **members** as at 31 December 2017 and whose **cover** was denominated in Euros at the same date.

3.2 Application and admission

If **you** make an application for any **participation units** under this **plan** or any other changes which increase **your** premiums or **our** potential liability, **you** agree to give **us** all the consents, personal, and financial information **we** ask for, in the form **we** specify.

3.3 Changing your cover

You cannot increase **your cover** under the **plan**. However, **you** can:

- increase **your participation units**
- increase **your cover** under the guaranteed increase in **cover** option.

You can reduce **your cover** at any time.

3.4 Change of occupation

You do not have to tell **us** if **you** change **your occupation** after the start of **your cover**. If **you** make a claim **we** will assess it

against **your** inability to perform the **occupation you** were engaged in when **your incapacity** started and not **your occupation** when **your cover** started.

4 Premiums

4.1 Paying your premiums

Your premiums are due from when **your cover** starts up to and including the **expiry date** and are payable monthly in advance by direct debit from **your Irish** personal bank account. **You** need to continue paying **your** premiums during a claim.

How much and when **you** need to pay are shown in **your** most recent **benefit statement**. **We** calculate **your** premiums in accordance with **our** standard premium rates for **your cover** and **participation units**. If **you** have customised **your cover** or **we** decide to apply special conditions or discounts to **your plan**, these can also affect **your** premiums. Copies of **our** standard premium rates, as applicable to **your cover** and **participation units**, are available upon request.

If **you** do not pay **your** premiums by the due date, **we** may stop **your benefits** or refuse any claim which arose when **your** premiums were in arrears, in its entirety.

If **you** cannot pay **your** premiums due to financial difficulties, **you** should contact **us** as soon as possible. At **our** discretion, **we** may

be able to offer **you** special arrangements to settle what **you** owe, based on **your** circumstances and **membership** history.

4.2 Age related and level premiums

If **you** have chosen age related premiums, then the premiums for **your cover** will increase as **you** get older. **Your** premiums will rise in January each year based on **your** age as at 31 December of that year.

If **you** have chosen level premiums, then the premiums for **your cover** will not increase as **you** get older, unless:

- **your cover** increases
- **we** allow **you** to add other features to **your plan**
- **you** use an option that increases **your** premiums
- there are any changes to the **plan** which increase **your** premiums
- **we** change **our** standard level premium rates.

The premiums for **your participation units** will not normally increase as **you** get older, unless:

- **your participation units** change
- **we** allow **you** to add other features to **your plan**
- **you** use an option that increases **your** premiums
- there are any changes to the **plan** which increase **your** premiums
- **we** change **our** standard level premium rates.

4.3 Reviewing your premiums

Our standard premium rates are reviewable and not guaranteed. **We** can change them from January every year.

In setting the standard premium rates **we** make a number of assumptions about the demographics of **our members**, legal and regulatory environment, taxation, future levels of inflation, claims, income, expenses and persistency affecting the **plan** and the **society** as a whole.

If **our** view of the above factors is different to that at the previous review, **we** will use a fair and reasonable basis for calculating its effect on **our** standard premium rates and as a result **your** premiums can increase, decrease or remain unchanged after each review.

We can also change **your** premiums if **we** change the terms and conditions of the **plan** in accordance with the **rules**.

If **your** premiums change, **we** will aim to give **you** at least 60 days advance notice. If **your** premiums increase, **you** can ask **us** to keep them the same and reduce **your cover** or **participation units**.

5 General benefit conditions

5.1 The maximum benefits we will pay

The total **cover**, disregarding any increases from the guaranteed increase in cover option and the inflation linked benefits option, **you** may have under this and any other protection only plans **we** offer, may not exceed €125,000 per annum.

Your benefits are based on **your pre-incapacity income** and not **your** income from **your occupation** at the start of **your plan**. The maximum **benefit we** will pay under the **plan** in any twelve month period (adjusted proportionately for a claim of less than twelve months) is 60% of **your pre-incapacity income**.

We will reduce the maximum **benefits we** will pay by any income **you** earn from other sources during **incapacity**, whether payable to **you** or to a third party on **your** behalf, including:

- any regular insurance benefits arising under policies against **incapacity**
- any salary, bonuses, benefits in kind, profit share or other business income accruing during **your incapacity**
- the distributable profits attributable to **your** shareholding accruing in any private company in which **you** are both a director and an employee
- any pension **you** would receive during **your incapacity**, before exchanging any part of it for cash.

Where any of this **income** is taxable, **we** will only take into account 80% of the gross amount, for the purposes of **our** calculations.

We may reduce **your pre-incapacity income** to reflect changes in **your** business, professional or personal circumstances, if **we** are reasonably satisfied that such an adjustment would better reflect **your** actual loss of income due to **your incapacity**.

If the **benefits we** are paying **you** increase as a result of the inflation linked benefits option, **we** will also adjust **your pre-incapacity income** appropriately, using the same index. **We** will not do this if **we** are paying **you** reduced **benefits** under section 5.7.

If **we** have to limit **your benefits** then **we** will not refund any premiums.

5.2 When the benefit payments will stop

We will pay **your benefits** monthly in arrears after the end of **your deferred period**. Where **your** claim is for less than one month, **we** will pay **your benefits** at the end of the claim.

We will stop paying **your benefits** under this **plan** when the earliest of the following happens:

- **you** are no longer **incapacitated** (including circumstances where **you** have recovered sufficiently to be able to return to **your occupation** but do not do so due to the risk of relapse or further **incapacity**)
- the **cover** reaches its **expiry date**
- **your plan** or **cover** is cancelled
- **you** die
- **you** no longer meet **our** requirements for the payment of **benefits**.

5.3 What is not covered by the plan

We will not pay for any **incapacity** excluded by the special conditions applicable to **your cover**. This includes situations where the **incapacity** is due to more than one illness or injury (whether declared on the claim form or not) and any of these are excluded by the special conditions applicable to **your cover**.

We will not pay for any **incapacity** directly or indirectly related to:

- participation in a criminal act
- deliberate self-harm or alcohol, drugs or substance abuse
- failure to keep **your** recommended immunisations up to date
- procedures and treatments which are not medically necessary, unless the result of an illness or injury and **your specialist** recommends that **you** have the procedure or treatment.

5.4 Notifying us of your claim

If **you** want to make a claim, **you** must notify **us** within:

- two weeks of the start of **your incapacity** if **your deferred period** is less than five weeks

- four weeks of the start of **your incapacity** for all other **deferred periods**.

If **you** do not notify **us** within the above time limits, **we** may postpone or refuse **your** claim.

Where **your plan** has multiple **benefits**, **we** will calculate the notification limits on the **benefit** with the shortest **deferred period**.

5.5 Our requirements regarding claims

You must complete and return **our** claim form and give **us** any other information **we** ask for as soon as possible. If **you** do not return **your** claim form within 90 days of the end of **your deferred period** or give **us** the information **we** ask for or follow **our** reasonable instructions, within the time limits **we** specify, **we** may refuse or postpone **your** claim.

In addition **you** must:

- be diagnosed with the **incapacity** by a **doctor**, approved by **us** and whose specialism **we** consider appropriate to **your incapacity**
- be receiving regular supervision and **generally accepted medical treatment** from a **doctor**, approved by **us** and whose specialism **we** consider appropriate to **your incapacity** and
- comply with their treatment recommendations.

We may also ask, before accepting **your** claim or at any time during **your** claim for **you** to:

- be medically examined by a **doctor** of **our** choosing
- have any investigations or tests
- give **us** the consents **we** ask for in respect of **your** claim
- be available, to meet with **our** appointed representative for an interview about the claim. This could be at **your** home, on the telephone or any other place as **we** reasonably specify. On rare occasions, these interviews could be unannounced.

At **our** discretion **we** may reimburse **you** reasonable travel costs within **Ireland** in connection with the above. If **you** are outside **Ireland**, **we** may ask **you** to return to **Ireland** for the above. **We** will not pay for any travel costs **you** incur in returning to **Ireland**.

You are also responsible for the cost of providing all routine financial and medical evidence (including ongoing confirmation of **your** continued **incapacity**, at a frequency **we** consider to be reasonable for **your** claim) to support the admission and continued payment of **your** claim. **We** will only pay for the cost of examinations, tests and investigations **we** specifically commission. If **we** incur any costs as a result of **you** not attending a prearranged appointment for a meeting with **our** representative or for any investigation or tests, **we** reserve the right to offset these costs against any **benefits** payable to **you**.

We will review **your** claim at least once every twelve months and more frequently, if **we** consider it necessary, on both medical and financial bases to make sure that cumulatively **we** have paid **you** the appropriate **benefits** under **your** claim and **we** reserve the right to recover any overpaid **benefits** by any reasonable means. Where **your** monthly income, before or after **incapacity**, fluctuates, **we** will use the information **you** provide to calculate a smoothed average for the purposes of calculating the **benefits** under the **plan**.

You should tell **us** as soon as possible if there is any change to **your** health, financial or personal circumstances that may affect **your**

benefits. In particular, **you** should tell **us** if **you** carry out a work related activity, whether paid or unpaid, including voluntary work.

If **you** do not fulfil **our** requirements regarding claims **we** may refuse or stop paying **your** **benefits**.

5.6 Recurrent incapacity

If **you** become **incapacitated** within 12 months of the end of **your** claim and both periods of **incapacity** arise from the same cause, **we** will consider the second claim as a continuation of the first claim. If **we** cannot do this, then **we** will assess **your** second claim as a new claim.

If **you** suffer a new **incapacity** immediately after the end of **your** claim, then **we** will assess **your** second claim as a new claim. If, in doing so, the provisions of section 6.3 apply, such that **we** have to assess **your** second claim based on definition **C** of **incapacity**, **we** may at **our** discretion treat the second claim as a continuation of the initial claim.

5.7 Phased return to work

This section only applies to **cover** subject to definition **A** of **incapacity**.

If **your** claim fulfils definition **A** of **incapacity** and after a period of **incapacity**, **you** only recover sufficiently to:

- return to **your** own **occupation** on a part-time basis for a lower income, or
- return to a different **occupation** for a lower income

We will consider paying **you** reduced **benefits**, if **you** remain **incapacitated**, subject to the following, in addition to **our** normal conditions for a claim:

- **you** have been advised by **your specialist** to make a phased return to work and remain under their regular supervision and continue to receive **generally accepted medical treatment** from them for **your incapacity** throughout the period **you** receive reduced **benefits** from **us**
- **you** have continuously received **benefits** from **us** for at least three months before the reduced **benefits** become payable
- **your incapacity** limits **your** ability to perform the **material and substantial duties** of **your occupation** to no more than the lower of:
 - 18 hours per week or
 - 55% of the average weekly hours **you** worked in the 12 months before the start of **your incapacity**.

We will calculate the reduced **benefits** **we** will pay as follows:

$$\frac{\text{your pre-incapacity income} - \text{income from your phased return to work}}{\text{your pre-incapacity income}} \times \text{benefits payable before your phased return to work}$$

We will limit the **benefits** payable under this section to a maximum combined period of seven years throughout the life of **your plan**.

5.8 Pregnancy

We consider pregnancy to be a natural condition rather than **incapacity** and **we** will not consider claims that arise from the normal effects of pregnancy. **Incapacity** from complications of pregnancy and childbirth is covered under the **plan**, as long as it is diagnosed by **your specialist**.

5.9 Payment of benefits abroad

If after the start of **your plan**, **you** travel to or live outside **Ireland** but within the British Overseas Territories, another country in the European Union, Australia, Canada, New Zealand, Norway, Singapore or Switzerland, **we** will limit the **benefits** for all periods of **incapacity** to a maximum combined period of five years throughout the life of **your plan**.

If **you** travel to or live anywhere else, **we** will limit the **benefits** for all periods of **incapacity** to a maximum combined period of six months throughout the life of **your plan**.

If **we** stop paying **you** and **you** move to live in a country where **you** could continue receiving **benefits** then provided **you** are still **incapacitated**, **we** will assess **your** entitlement from the date of **your** move but **we** will not consider backdating **your benefits** to when **you** were not entitled to them.

You agree to give **us** all the consents, documents and personal information **we** ask for, in the form **we** specify, to enable **us** to confirm **your** location for the purposes of this section.

5.10 Subrogation rights

You must inform **us** as soon as possible if **you** make any claim against any third party in connection to **your incapacity** and keep **us** fully informed of its progress. **You** must follow all **our** instructions in relation to such a claim and not withdraw or settle it without **our** prior written approval.

We reserve the right to pursue in **your** name any action, which results in **us** paying **you benefits**. **We** will have full discretion in the conduct of any such proceedings and in the settlement of any resulting claim. Alternatively, **we** may allow **you**, **your** lawyer, or anyone acting on **your** behalf to conduct these proceedings.

In either case, **we** will be entitled to recover any **benefits** paid or payable to **you** from the proceeds of any third party claim. If **you** do not follow all **our** requirements in relation to any third party claim, **we** reserve the right to refuse **your** claim for **benefits** or where **benefits** have been paid, refuse any further payments.

5.11 General

We will calculate **your** daily **benefit** amount as an appropriate fraction of **your** monthly **benefit** amount and **we** will not pay for any **incapacity** which does not last a full day.

If, as a result of **your incapacity**, **you** are unable to sign **our** forms, **we** will consider admitting and paying **your** claim without **your** signature, provided **we** have satisfactory evidence of **your incapacity** and of **your** inability to sign **our** forms.

If **your incapacity** is the result of a communicable disease and the government has approved a medical treatment that, if taken make it improbable for **you** to transmit the infection to the patients **you** treat and would allow **you** to legally practice as a **dentist** and perform or assist in exposure prone procedures, then if **you** are receiving treatment, **we** will continue to pay **you benefits** until **you** are medically fit to return to **your occupation**, subject to **our** normal terms and conditions for claims. If **you** decide not to have the treatment then **we** will pay **you benefits** for a maximum period of 12 months throughout **your incapacity**.

If **your incapacity** is due to any physical, mental or behavioural symptoms, where the abnormality cannot be wholly detected and monitored using generally accepted and recognised objective diagnostic procedures (**we** do not consider detection

or monitoring tools which rely materially on patient reported symptoms to be objective procedures) and rest or refraining from **your occupation** is the primary element of **your** medical treatment, **we** will limit **benefits** payable under **your cover** to a maximum period of two years throughout the life of **your plan**, from the time **we** notify **you** that **your** claim falls within the scope of this paragraph.

If after the start of **your incapacity**, **you** dispose of **your** financial interest in an undertaking which was the source of **your pre-incapacity income** then **we** will use profit on the sale, before any tax reliefs and allowances, to calculate the effect of the sale on **your** income during **incapacity**. **We** have the right to make a reasonable adjustment for this to **your** income during **incapacity** for the purposes of **our benefit** calculations. If the disposal results in a loss then **we** will ignore this from **our benefit** calculations.

If **you** accept a lump sum in lieu of a claim from another insurer or cancel an insurance contract after the start of a claim, **we** reserve the right to disregard this from **our benefit** calculations if this would otherwise result in increasing **our** liability to pay **you benefits**.

If **you** enter into any arrangements with a **family member**, **your** business colleagues or a person previously known to **you**, which is not on commercial arm's length basis, **we** reserve the right to replace the actual terms with normal commercial arm's length terms in calculating any **benefits** due if this would otherwise result in increasing **our** liability to pay **you benefits**.

6 Standard features of the plan

6.1 Changing your deferred period

You can ask **us** to reduce the **deferred period** for **your cover** without the need for medical underwriting if there is a change to **your** employment status.

If **your cover** has a **deferred period** of five weeks or more, **you** can reduce **your deferred period** to a minimum of four weeks. **Your** premiums will increase to reflect the shorter **deferred period**. **You** may only reduce **your deferred period** without medical underwriting if:

- **you** have had the **cover** and paid the premiums continuously for at least the last 36 months
- **you** have stopped working for one employer and started work for a new, unconnected employer or if **you** have stopped being employed and become self-employed
- no special conditions have been applied to **your cover**
- **you** have not made any claims under the **cover**, since its start
- **you** ask **us** to change **your deferred period** with 90 days of the change in **your** employment status and **you** give **us** the evidence **we** ask for to confirm the change in **your** employment status.

You can ask **us** to increase the **deferred period** for **your cover** without medical underwriting at any time.

6.2 Career break

If **you** take a career break and temporarily stop working, **you** can ask **us** to suspend **your cover**. **You** will not have to pay any premiums for **your cover** but **you** will need to still pay the premiums for **your participation units**. **You** will not be able to make a claim when **your cover** is suspended under this section.

We will write to **you** to confirm when **we** have suspended **your cover**. **We** will not backdate the start of the suspension to earlier than when **you** notify **us** and it will be subject to the following conditions:

- **you** cannot use this feature before the third anniversary of **your plan** or if **your plan** is in arrears
- **you** cannot suspend **your cover** for less than six months
- **you** cannot suspend **your cover** for a total of more than 36 months over the life of **your plan**
- **you** cannot suspend just a part of **your cover**.

You can tell **us** when **you** would like **your cover** to restart in advance and it will restart automatically on that date. If **you** have not given **us** a date then **your cover** will restart after it has been suspended for a total of 36 months. However, **you** can restart **your cover** earlier by giving **us** 7 days' advance notice.

After **your cover** restarts and **you** want to make a claim, **we** will apply definition **C** of **incapacity** to **your** claim, unless **you** can provide **us** evidence that **you** are in work or have formally agreed a genuine, guaranteed position to return to after the end of **your** career break, in which case **we** will apply the normal definition of **incapacity** applicable to **your benefits**.

6.3 Your cover when not in work

If **you** are not performing **your occupation** immediately before the start of **your incapacity** or if:

- **you** are under notice of redundancy, termination or suspension
- **you** are self-employed and **you** have no work, **your** business ceases to be a going concern or if **you** are in the process of disposing all or a material part of **your** interest in **your** business

We will assess **your** claim based on definition **C** of **incapacity**, unless **you** can provide **us** evidence that **you** have formally agreed a genuine, guaranteed new position with an independent third party to go to, in which case **we** will apply the normal definition of **incapacity** applicable to **your cover**.

If **you** become unable to perform the **material and substantial duties** of **your occupation** during a period when **you** are not working as a result of any governmental, legal, disciplinary or regulatory advice, guidelines, recommendations or rulings then, until the end of that period, **we** will assess **your** claim based on definition **C** of **incapacity**. If **you** remain unable to perform the **material and substantial duties** of **your occupation** after the period covered by such advice, guidelines, recommendations or rulings, **we** will assess that part of **your** claim based on the normal definition of **incapacity** applicable to **your cover** from the end of that period onwards.

If **we** apply definition **C** of **incapacity**, **we** will limit **your benefits** to a maximum amount of €2,000 per month.

This section 6.3 will not apply to any claim where **you** are entitled to **benefits** under any of **our** other plans. If **you** are entitled to **benefits** under the cover when not in work section under more than one of **our** plans, **we** will only pay this benefit once and under the plan where **you** have the greatest entitlement.

6.4 Respite care benefit

As long as **your** claim satisfies **your** normal definition of **incapacity** and definition **C** of **incapacity**, **you** can claim respite care benefits subject to the following conditions:

- **we** have paid **you benefits** for the last 12 months
- **you** have lived in **your** own home under the full time care of a **family member** for the last 12 months
- the respite care is provided outside **your** home in a registered respite care facility, approved by **us** in advance.

In any 12 month period, **we** will pay the lesser of:

- the cost of a stay of up to two weeks in a respite care facility
- €4,000.

If **you** are entitled to respite care benefits under more than one of **our** plans, **we** will only pay this benefit once and under the plan where **you** have the greatest entitlement.

6.5 Transplant benefit

If **your incapacity** results from donating a part of **your** body for a medically necessary transplant to the body of another person, **we** will consider **you** to be suffering an illness. In addition to any **benefits** due under **your plan** **we** will pay a cash lump sum equal to 2 months **benefits** payable at the start of **your** claim.

We will not pay the cash lump sum if:

- **your incapacity** lasts less than 14 continuous days
- the transplant is illegal or arises from any illegal transaction or practice
- the transplant takes place within 24 months of the start of **your plan**.

We do not consider stem cell donation, any donation for assisted reproduction purposes or blood donations to be transplant procedures under this section and **we** will pay the cash lump sum under this section only once during the life of **your membership**.

7 Customisable features of the plan

7.1 Guaranteed increase in cover

If the guaranteed increase in cover option applies to **your cover**, as shown in **your benefit statement**, **you** can ask **us** to increase **your cover** without providing further medical evidence after **you** have held the **cover** and paid the full premiums for six consecutive years, subject to the following conditions:

- **your** premiums will increase as a result of the additional **cover**
- **we** may ask **you** to provide evidence of **your** increased income to support **your** request for the additional **cover**
- the total increase under this section cannot be more than 30% of the initial value of the **cover**
- **you** cannot increase **your cover** by more than €1,040 per month at any one time
- there must be a minimum of six months between any two requests for an increase in **cover** under this section
- **your** additional **cover** will be on the same terms and conditions as **your** initial **cover** except that the guaranteed increase in cover option will not apply
- **you** cannot increase **your cover** under this section during **your incapacity** or until **you** have recovered fully from **your incapacity** and completed at least six months of full time work in **your occupation** working at least 28 hours per week.

If **we** accept **your** request, **we** will write and confirm the start date of **your** additional **cover**.

7.2 Inflation linked cover

If the inflation linked cover feature applies to **your cover** as shown in **your benefit statement** then **your cover** will increase in January each year in line with inflation, subject to the following conditions:

- **your** first increase will be in the January following the first anniversary of **your cover** based on the 12 month change to the Euro area harmonised index of consumer prices as at the previous September
- **your** premiums will increase, if **you** accept the increase in **benefits** under this option
- the maximum annual increase under this option cannot exceed 5%
- the total increases under this feature, over the life of **your plan**, cannot exceed 150% of **your initial cover**.

If **your cover** is increased under this option during **incapacity** or when reduced **benefits** are being paid, **we** will not pay increased **benefits** under the **cover** until **you** have recovered fully from **your incapacity** and completed at least six months of full time work in **your occupation** working at least 28 hours per week.

You can refuse the additional **cover** under this option by completing and returning the form **we** send **you** with the letter notifying **you** of the increase at least 15 days before the increased **benefits** take effect. If **you** refuse the additional **cover**, **we** will stop increasing **your cover** under this option until **you** ask **us** to resume doing so in writing and **we** will do so from the January after receiving **your** instructions.

If the change in the index is negative, **we** will not make any further changes to **your cover** until the index rises above the level which last resulted in an increase in **your cover**.

We may, at **our** discretion replace the Euro area harmonised index of consumer prices with another suitable index.

7.3 Reducing benefits

If the reducing benefits feature applies to **your cover** as shown in **your benefit statement** then **your benefit** payment will be paid at:

- the full rate for the first 6 months of **incapacity**, then
- 50% of the initial rate for the next 6 months, and then
- 30% of the initial rate until the end of **your** claim, subject to **our** normal terms and conditions.

This feature is only available if **your cover** does not have a **deferred period**.

7.4 Level benefits

If the level benefits feature applies to **your cover** as shown in **your benefit statement** then **your benefit** payments will be paid at a constant rate until the end of **your** claim, subject to **our** normal terms and conditions.

7.5 Inflation linked benefits

If the inflation linked benefits feature applies to **your cover** as shown in **your benefit statement** then **your benefit** payments will increase in January each year in line with inflation, subject to the following conditions:

- **your** first increase will be in the January after **your benefit** has been in payment for 12 months based on the 12 month change to the Euro area harmonised index of consumer prices as at the previous September

- the maximum annual increase under this option cannot exceed 5%
- the total increases under this feature, over the life of **your plan**, cannot exceed 150% of the starting amount of **your benefit**
- **your cover** will not change as a result of any increases in claim payments under this feature and any future claim will be based on **your cover** at that time.

If the change in the index is negative, **we** will not make any further changes to **benefits** until the index rises above the level which last resulted in an increase in **your benefits**.

We may, at **our** discretion replace the Euro area harmonised index of consumer prices with another suitable index.

7.6 Enhanced benefits for severe incapacity

If the enhanced benefits for severe incapacity feature applies to **your cover** as shown in **your benefit statement** and:

- in addition to satisfying **your** normal definition of **incapacity**, **your** claim also satisfies definition **C** of **incapacity**
- **your** claim has been in payment for at least two years

We will increase **your** regular **benefit** payments by an additional amount equal to 20% of the **benefit** payable at the start of **your** claim, for the remainder of **your** claim.

We will disregard the amounts payable under this section in calculating **your** maximum **benefits**. The additional payments under this section will stop when **your** claim ends.

7.7 Extra benefit for terminal claims

If the extra benefit for terminal claims option applies to **your cover** as shown in **your benefit statement**, then if **you** die during a period when **we** are paying **your** claim, from the same **incapacity** as that for which **you** are claiming, **we** will uplift **your** final **benefit** payment by six times the monthly **benefit** payable at the time of **your** death.

8 Surpluses and bonuses

8.1 Participation units

The maximum **participation units** **you** can hold under the **plan** are calculated as the monthly value of **your cover**, excluding any future inflation linked increases and lump sum benefits and dividing this figure by 10. The **board**, in its absolute discretion, has the right to reduce this maximum limit for such period as it considers it reasonable.

You must hold such minimum **participation units** as **we** specify from time to time.

You can ask **us** to change **your participation units** within the permitted limits at any time between the start of **your plan** and the **expiry date**.

8.2 Distributions

We may distribute **our** surpluses by adding bonuses to **your bonus account**, by paying bonuses on withdrawal of funds from **your bonus account** or in any other way, **we** consider appropriate. The bonuses and the detailed terms and conditions governing the distribution will be determined by the **board** based on the advice of the **actuary**.

The funds from **your bonus account** are payable to **you** at the **expiry date** of **your plan**. If **you** die, **we** will pay the funds from **your bonus account** to **your** estate once **we** are given the

original grant of probate, or equivalent and after any payments to **your** nominees.

If **your plan** and **membership** are cancelled by either party or **you** withdraw funds from **your bonus account** before the **expiry date**, **we** will apply an early cancellation charge as determined by the **board** from time to time. If **your plan** and **membership** is cancelled within the first two years, then **you** will not receive anything from **your bonus account**.

If **you** cancel **your plan** and subscribe to another plan **we** offer, **you** can keep **your bonus account** with **us**. **Your bonus account** will be paid up but continue to be subject to the relevant terms and conditions governing the **plan**.

8.3 Bonus account reductions

If **our** income and undistributed surpluses are insufficient to meet **our** expenses, claims or provisions, the bonuses previously added to **your bonus account** can be used to make up the shortfall. In case of such a shortfall, the **board** will have complete discretion on how any shortfall will be shared across different plans and groups of **members**.

We can also apply a **bonus account** reduction when **you** cancel **your membership** or withdraw the funds from **your bonus account**. **We** will only do this to ensure the fair treatment of **our members** and any reduction will be calculated by reference to the level the amount taken exceeds the value of the underlying assets. The decision to apply a **bonus account** reduction must be approved by the **board** and the **actuary**.

9 General

9.1 Currency

This **plan** is only available in Euros.

We will collect premiums from **your** personal bank account in **Ireland** in Euros and **we** will only pay **benefits** and funds from **your bonus account** into the bank account **you** use to pay **your** premiums. However, if **we** consider it appropriate, **we** reserve the right to make these payments to **you** by cheque.

If **you** pay **us** by debit card or bank transfer, **you** are responsible for settling any bank charges which may be incurred by either party. **We** do not accept payments by cheque or credit cards.

If the currency of **Ireland** changes, **we** will change the currency of **your plan** accordingly.

9.2 Assignment

This **plan** and the **benefits** cannot be put into a trust, assigned, charged, used as a security or transferred to anybody else.

9.3 Cancellation

Your plan will automatically end at the **expiry date** but **you** can cancel **your plan** and **your membership** earlier by asking **us** to do this in writing. **We** will do this from the later of the date **you** have specified or the date **we** receive **your** written instructions. **We** will not backdate any request for the cancellation of **your plan** and **we** reserve the right to deduct any premium arrears from the funds from **your bonus account**.

We have the right to cancel **your plan** and **your membership** before the **expiry date** or from its start if **we** consider it appropriate, if:

- **we** are no longer able to administer **your plan** and/or **your membership** properly as a result of changes in the **law and regulations**
- **you** do not give **us** any permissions **we** need to administer **your membership** or manage **our** affairs effectively
- **you** enter into voluntary arrangements or composition with **your** creditors, bankruptcy or winding up proceedings are started against **you** or a receiver, administrator or an administrative receiver is appointed over any of **your** assets or if **you** enter into voluntary or compulsory liquidation (except for the purposes of a solvent amalgamation or reconstruction)
- **you** don't pay **your** premiums in full by the due date
- **you** don't repay any overpaid **benefits** in full within 30 days of **us** requesting repayment
- **you** don't give **us** the information **we** reasonably request within the time limits **we** specify
- **you** are in breach of the terms and conditions of the **plan** and **you** fail to remedy the breach within 30 days of being notified
- **you** are convicted of an offence which carries a custodial sentence or one involving corruption or dishonesty such as fraud, theft, deception, misrepresentation or misappropriation of funds
- **you** are barred or suspended from **your occupation** by **your** employer or another competent authority for any reason other than incapacity
- **you** have acted dishonestly, concealed or misstated information in **your** dealings with **us**.

9.4 General

In the event of a natural disaster, epidemic or pandemic, war, riots, armed conflict, nuclear, chemical or biological contamination, **we** reserve the right to temporarily alter **your** existing **cover** under this **table** for such period (not exceeding twelve months) as considered necessary by the **board** at the time, subject to approval by the **actuary** by:

- charging additional one-off or regular premiums
- applying moratoriums and/or limitations to the maximum **benefits** payable under a claim.

We may offer discounts and promotional terms to existing and new **planholders** for such duration and terms as **we**, in **our** absolute discretion, consider appropriate and **we** may withdraw these at any time and without prior notice.

We will not take any instructions from another person about **your plan**, unless **you** give **us** specific written instructions authorising **us** to do so or they give **us** the original power of attorney authorising them to act on **your** behalf.

You are responsible for any tax liabilities and charges arising on **your** premiums, **benefits**, bonuses and any other payment under the **plan**.

All communication between us, regarding this **plan**, will be in English.
