Eligibility 3

3.1 Who can have this plan

You can only take out this plan for yourself and it is only available to existing **members** whose **membership** became paid up under our previous rules.

Premiums

4.1 Paying your premiums

Your premiums are due from when your plan starts up to and including the **expiry date** and are payable monthly in advance by direct debit from your Irish personal bank account.

How much and when **you** need to pay are shown in **your** most recent **benefit statement**. **We** calculate **your** premiums in accordance with **our** standard premium rates. Copies of **our** standard premium rates, as applicable to **you**, are available upon request.

If you do not pay your premiums by the due date, we may stop your bonuses. If you cannot pay your premiums due to financial difficulties, you should contact us as soon as possible. At our discretion, we may be able to offer you special arrangements to settle what you owe, based on your circumstances and **membership** history.

4.2 Premium rates

Your premiums will not normally increase as you get older, unless we change our standard premium rates.

4.3 Reviewing your premiums

Our standard premium rates are reviewable and not guaranteed. We can change them from 1 January every year.

In setting the standard premium rates **we** make a number of assumptions about the demographics of our members, legal and regulatory environment, taxation, future levels of inflation, claims, income, expenses and persistency affecting the **plan** and the **society** as a whole.

If **our** view of the above factors is different to that at the previous review, we will use a fair and reasonable basis for calculating its effect on **our** standard premium rates and as a result **your** premiums can increase, decrease or remain unchanged after each review.

We can also change your premiums if we change the terms and conditions of the **plan** in accordance with the **rules**.

If your premiums change, we will aim to give you at least 60 days advance notice.

Surpluses and bonuses

5.1 Distributions

We may distribute our surpluses by adding bonuses to your **bonus account**, by paying bonuses on withdrawal of funds from your bonus account or in any other way, we consider appropriate. The bonuses and the detailed terms and conditions governing the distribution will be determined by the board based on the advice of the actuary.

The funds from **your bonus account** are payable to **you** at the cancellation or **expiry date** of **your plan**. If **you** die, **we** will pay the funds from your bonus account to your estate once we are given the original grant of probate, or equivalent and after any payments to your nominees.

5.2 Bonus account reductions

If our income and undistributed surpluses are insufficient to meet **our** expenses, claims or provisions, the bonuses previously added to your bonus account can be used to make up the shortfall. In case of such a shortfall, the **board** will have complete discretion on how any shortfall will be shared across different plans and groups of members.

We can also apply a **bonus account** reduction when **you** cancel your membership or withdraw the funds from your bonus account. We will only do this to ensure the fair treatment of our members and any reduction will be calculated by reference to the level the amount taken exceeds the value of the underlying assets. The decision to apply a bonus account reduction must be approved by the **board** and the **actuary**.

General

6.1 Currency

This **plan** is only available in Euros.

We will collect premiums from your personal bank account in **Ireland** in Euros and **we** will only pay funds from **your bonus account** into the bank account **you** use to pay **your** premiums. However, if **we** consider it appropriate, **we** reserve the right to make these payments to \mathbf{you} by cheque.

If **you** pay **us** by debit card or bank transfer, **you** are responsible for settling any bank charges which may be incurred by either party. We do not accept payments by cheque or credit cards.

If the currency of **Ireland** changes, **we** will change the currency of your plan accordingly.

6.2 Assignment

This **plan** cannot be put into a trust, assigned, charged, used as a security or transferred to anybody else.

6.3 Cancellation

Your plan will automatically end at the expiry date but you can cancel your plan and your membership earlier by asking us to do this in writing. We will do this from the later of the date you have specified or the date **we** receive **your** written instructions. We will not backdate any request for the cancellation of your **plan** and **we** reserve the right to deduct any premium arrears from the funds from your bonus account.

We have the right to cancel your plan and your membership at any time or from its start if we consider it appropriate, if:

- we are no longer able to administer your plan and/or your membership properly as a result of changes in the law and regulations
- you do not give us any permissions we need to administer your membership or manage our affairs effectively
